

Spectator Information

Immortal Stourhead Weekend

12-13 May 2018

Parking for Athletes and Spectators

All parking will be on the nearby Airfield, the main National Trust car park will be closed with barriers in place outside of the properties normal opening times (9am-6pm).

This will be clearly signposted from the High Street at Stourhead. Please park neatly.

Stourhead Estate can be easily accessed by following the brown signs from the A303/B3092.

It is then a short walk from the car park to registration, accessed via the Visitor Centre.

All athletes and spectators must enter through the Visitor Centre.

Entry to Stourhead

Stourhead do ask all members to show their cards when entering the house or garden on the event days. For those non-members who wish to enter the garden for the swim events on both days, there will be no charge for this. However, if a spectator leaves the garden after the swim has finished, and then wants to re-enter the garden they will need to show a valid membership garden or entry ticket. Competitors and spectators will need to exit Stourhead through visitor reception.

The Venue

The venue at Stourhead lends itself well to Triathlon. We are grateful to the National Trust for welcoming the event.

All aspects of the race have some great viewing opportunities.

The swim is in the stunning Lake and there are some superb viewing opportunities around the Lake.

The road between the House and the Lake will be closed to all traffic but will be open to local residents and emergency service vehicles, so please be aware of athletes and potential traffic.

Transition is near the finish line, which is outside Stourhead House and once again a good viewing spot.

There will be Catering, including pizza, bacon rolls, burgers, hot and cold beverages all available near the finish line at the house.
